You and your family are invited to our new community event happening from 11 a.m.—3:00 p.m. There will be raffles to enter and door prizes to win every hour! Affordable shopping and dining!

Our big Wheelbarrow of Wine raffle proceeds will benefit the Schofield Foundation and our mega Spring Basket Raffle benefits the Activities Department. Come one, come all!

Lobby Renovations Begin This Month

After several months of planning, renovations to our lobby will begin. Please look for signs to enter Schofield Residence. Everyone will be using our Garden Café’ doors while we install a new Welcome Center where our current reception desk is located. In addition, we will be installing new flooring and repairing a pipe underneath the flooring. To accommodate additional donors that are helping Schofield, a new donor tribute wall will also be installed to replace the current donor wall. Please pardon our “renovation zone” as we work to enhance these high traffic areas. Thank you for your understanding.

NEWS & NOTES

- Complimentary Coffee Cart in the Lobby from 1-4 pm—please help yourself.

- When you bring in any new, spring or summer clothing, please be sure to have it labeled with the resident’s name. Simply leave the clothing with the receptionist and include a note with the resident’s name and room number. Your attention will enable our Laundry staff to get the right clothes back to the right resident.

- If bringing in previously labeled change-of-season clothing, please take some time to organize your loved one’s closets and dresser drawers. Due to limited storage, you may need to take heavier clothing home to accommodate lighter spring and summer clothes for the months ahead.

- Just a reminder that Schofield is a non-smoking facility. This includes residents. Should you be aware of a resident smoking, please let a staff member know. This is for the safety of all 120 of our residents, our staff, volunteers, family members and visitors. Thank you.

- Three Cheers to Eaton Office supply for their donation of 20 Dry-Erase Bulletin Combo Boards for our Rehab residents. The boards assist residents in knowing who their caregivers are and will provide a space for pictures and greeting cards.
