

The Schofield Difference

When you or a loved one are recovering from an acute illness or injury, or living with a chronic disease, Schofield Certified Home Care and Licensed Home Care Service Agency can help. We bring Schofield's quality care right to your doorstep, providing the care you need in the comfort, privacy and safety of your own home.

If you have been hospitalized, or are in a rehabilitation unit, and are scheduled to be sent home, you can rely on Schofield's compassionate and skilled staff to provide the expert help you need. In-home health care can also benefit individuals under a doctor's care who have unstable or acute medical conditions.

Our comprehensive home health care services include the highest level of skilled Nursing, Physical, Occupational and Speech Therapy and Medical Social Services. We can also provide Home Health and Personal Care Aides as well as Housekeepers. Our professional team will assess your individual needs, set up a plan of care, and assist you and your caregivers in better understanding your health condition and how you can take an active part in your treatment plan.

Our Services are covered by a number of health insurance carriers, Managed Long Term Care (Medicaid MLTC), Traumatic Brain Injury (TBI) Medicaid Waiver, No-Fault Insurance and Workers' Compensation. Our staff will help determine which home health services you are eligible for by contacting your insurance carrier. Our services are also available through private payment. We are happy to talk with you about your needs.

SCHOFIELDCARE

— Since 1910 —

In 1910, Dr. Jennie Schofield and a group of dedicated community volunteers founded the "Wheel Chair Home" as a not-for-profit home for the elderly in Western New York. Today, Schofield continues to provide high quality health care services in our nursing facility and our community-based health care programs.

Why Schofield?

Schofield has a long and successful history as a provider of care in the home. Schofield's Certified Home Health Care and Licensed Home Care Agency are both committed to the delivery of high quality, cost effective home care services. We believe that the care of the individual should include the highest level of professional care for the physical, psychological and spiritual needs – a ministry of care to the whole individual. The ultimate aim of our care is to maintain or rehabilitate every individual to enjoy the activities of daily living to their fullest ability.

Our compassionate staff are carefully selected for their experience, knowledge and dedication.

Our services are available 24 hours a day, seven days a week. Our wellness programs can help you or your loved one to remain independent at home. Here are some examples of how we can help:

- » Provide nursing care after an illness or injury
- » Provide physical therapy to help you regain or retain your strength and mobility
- » Help you to learn to manage your diabetes or other chronic illness
- » Assist you in regaining your speech after a stroke
- » Teach you how to take your medications properly
- » Help you with bathing
- » Connect you with community services you need to stay in your home
- » Assist you with emotional concerns related to your illness, and provide counseling if needed.

How to arrange for care

Arranging for In-Home Health Care from Schofield is easy, all it takes is one phone call from you or your doctor. We will take care of everything else and will coordinate your home care program from start to finish.

For more information, or to arrange for home care services, call Schofield Care at (716) 874-2600.

“I love my nurse ... I wish there were more people in the world like her. She is truly an angel.”

“Our family wants to thank you for providing nursing care and therapy to our loved one. We were satisfied with their services. They showed professionalism and each were very kind individuals.”
